ADDITIONAL FINANCIAL DOCUMENTS

Visa Application Number: 83847122

Dear Visa Officer,

I am writing in response to the request for six months of recent euro-denominated bank statements.

I arrived in Germany on 31 March 2026 and opened my Revolut euro account on 7 April 2026. Because the account has been open for less than six months, six full months of statements do not yet exist. I have therefore enclosed all available Revolut statements, covering the period from the account opening date to the present.

For account security and the prudent management of my savings, I transferred part of my euro savings to my euro-denominated account with Bank of China. I have also enclosed the relevant euro account statements for this account.

Both accounts are held solely in my name. Transfers between my Revolut account and my Bank of China account are therefore transfers between my own personal accounts and do not constitute financial support or funding from any third party.

I have also enclosed my June 2026 payslip as evidence of my current employment income in Germany.

I hope the enclosed documents provide sufficient evidence of my financial circumstances and available funds. Should you require any further information or documentation, please do not hesitate to contact me.

Thank you for your consideration.

Yours faithfully,

Zhiyi Zhu
